NIKHIL SHARMA

B. Tech Computer Science (AI & Data Science) Student

Gangoh, Saharanpur (UP), India | nikhilsharmap15@gmail.com | LinkedIn: nikhil-sharma-46a00941a

OBJECTIVE

Motivated B. Tech Computer Science (AI & Data Science) student with a strong foundation in data structures, algorithms, and problem-solving using Python and C++. Actively building full-stack development skills (MERN, HTML, CSS, JavaScript) and database fundamentals (SQL). Seeking a Software Development / Web Development internship to apply technical skills, contribute to real-world projects, and grow as a developer.

EDUCATION

B. Tech, Computer Science Engineering — AI & Data Science *Expected 2028*

Shobhit University, Gangoh, Saharanpur (UP) – 247341

CGPA: 8.6

TECHNICAL SKILLS

- Programming Languages: C++, Python, C
- Web Development: HTML, CSS, JavaScript
- Currently Learning: MERN Stack (MongoDB, Express.js, React, Node.js), SQL
- Tools & Platforms: Git, GitHub
- Core Focus Areas: Data Structures & Algorithms, Problem Solving, Database Fundamentals

PRACTICE & CONTINUOUS LEARNING

- Regular practice of Data Structures & Algorithms (DSA) in Python on Leet Code, consistently solving problems to strengthen problem-solving skills.
- Building and maintaining personal projects on GitHub as part of a learn-by-building approach.
- Currently expanding into Full Stack Web Development with a focus on the MERN stack.
- Strengthening database and backend development concepts through SQL.

PROJECTS

Actively working on personal projects (to be added as completed) — including practice applications built while learning the MERN stack and DSA-based problem-solving exercises.

STRENGTHS

- Strong problem-solving mindset with consistent DSA practice
- Quick learner, currently self-teaching full-stack web development
- Collaborative and open to learning, building, and connecting with fellow developers • Disciplined daily-improvement approach to skill building

DECLARATION

I hereby declare that the information provided above is true to the best of my knowledge.
